There are very frequent trains from Cannon Street to New Cross Station
(note that this is **not** New Cross Gate Station, which is also nearby on New Cross Road).

The journey from Cannon Street to New Cross Station only takes 9 minutes,
and walking from there to the studio is about 8 minutes.

You can also get to New Cross Station on the East London Line
(stations include Dalston, Shoreditch, Whitechapel and Canada Water)

- 1 On leaving the station, turn left and go downhill along Amersham Vale to the T-Junction at the bottom of the road.**
- 2 Turn left along Edward Street, and then**
- 3 Right down Arklow Road.**
- 4 Childers Street is the first left following a bend, (turn left at the Lord Palmerston), and**
- 5 The studios are on the left, just after S R House.**

When you reach **Door 1 (with grey doors)**, ring my mobile (07803 280724), or the studio number (020 8694 7800). I will release the doors from the studio, and you can then go straight up the stairs to the first floor, and the studio is the first studio along the corridor on the right.
